PROFILE INFO

Full Stack Developer (MERN) with 2+ years of experience crafting responsive, user-friendly web applications. Skilled in translating designs into seamless interfaces using modern technologies. Seeking a role to drive user experience enhancements, lead development initiatives, and contribute to innovative team success.

Proficient in HTML5, CSS3, JavaScript, ReactJS, ReduxJS, and Node.js, MongoDB specializing in responsive designs and Agile-driven iterative development.

EXPERIENCE

2023 (Jul - Present) : Heeddata India Pvt. Ltd., Hyderabad

Software Engineer

Pioneered Full Stack Development (MERN) for FinOps Platform :

- Delivered robust and user-friendly interfaces, leveraging modern tools such as React JS, Node JS, Express JS, MongoDB.
- Ensured seamless integration and efficient workflows with Formik, Material UI, and Azure.

Enhanced Product Quality Through Rigorous Testing :

- Authored over 1,000 comprehensive test cases utilizing Test-Driven Development (TDD) principles.
- Utilized Jest and React Testing Library to ensure high code reliability and minimize defects through rigorous testing. Strengthened Full-Stack

Ensured Code Quality and Stability :

- Conducted detailed code reviews with a focus on maintaining DRY (Don't Repeat Yourself) principles.
- Identified & addressed regression issues, enhancing application performance & user experience.

Led Development of Key Application Pages :

- Took ownership of 7 out of 20 pages in the application, developing them from the ground up with a user-centric approach that prioritized customer requirements, significantly enhancing user satisfaction and engagement.

2023 (Jan - Jun) : Infolob Solution Pvt. Ltd., Hyderabad

Software Engineer

- Develop and Optimize UIs:** Build responsive, scalable React applications and reusable components for seamless user experiences.
- Integrate and Debug:** Connect APIs, manage state, and ensure performance through testing and debugging.
- Collaborate and Innovate:** Work with cross-functional teams to deliver accessible, high-quality solutions.
